

### **What are 4<sup>th</sup> and 5<sup>th</sup> graders saying about the sport of Tchoukball?**

What do you think Dr. Brandt's purpose was when he invented the game of Tchoukball?

1. The purpose was for good sportsmanship and not being too competitive.
2. To work as a team so nobody gets left out of playing a game.
3. I think he invented it so everybody felt included and got a chance to throw and catch....no winner or loser.
4. He wanted to have a competitive game but a fair game so that everyone was happy.
5. He invented it s there was a more peaceful sport. He did this because in other sports there was too much competition.
6. I think he invented it because all of the other games were too physical and people could get injured.
7. Because he wanted a game where you can't interfere.
8. I think the purpose was so people can play for their entertainment.
9. To have a game with no defense so everyone gets the ball.
10. To teach people that not every game has to have defense.
11. I think he wants to give good exercise.
12. So people won't fight in a sport.
13. So nobody would get hurt from an attacking defense.
14. No aggressiveness cause most games are aggressive.
15. Have fun include everyone.
16. To make a less competitive game.
17. For people to get physically fit and get your muscles nice and strong.
18. To make a game where there was no stealing the ball.
19. So people could have a fair chance to score because there is no interfering.
20. He does not like arguing and it helps you to work together.
21. Because he wanted to make an easy game to learn and anyone could play.
